2022/07 – 2022/08

Pie Infocomm pvt ltd

Developed "Online book store " application during java internship . Gained hands on experience in java programming OOps design and project deployment

TECHNICAL SKILLS

Frontend

- HTML5, CSS3, JavaScript (ES6+), React.js, Redux,Nextjs
- Tailwind CSS, GSAP, Bootstrap
- Responsive & Mobile-first Design

Version control & tools

- Git, GitHub, Netlify, Vercel

Performance Optimization:

Cross-browser compatibility, Code Splitting, Lazy Loading

Backend and Database

- Node.js, Express.js, MongoDB, MySQL, DBMS ,RESTful API Development

PROJECTS

Blinkit-Inspired Quick Commerce Platform [🔗](#)

- Built full-stack quick-commerce platform using React, Node.js, Express.js, and MongoDB
- Implemented JWT authentication and role-based access control (RBAC)
- Integrated Razorpay payment gateway for secure online transactions
- Developed responsive admin dashboard for managing products, orders, and users
- Built REST APIs for authentication, cart management, and order workflows
- Optimized frontend rendering and API interactions for improved user experience
- Deployed on Vercel

Responsive website clone with GSAP & Three.js Inspired by Apple Iphone 15 website [🔗](#)

- Recreated Apple's iPhone 15 Pro website with high-quality animations and 3D effects.
- Used GSAP for smooth transitions and Three.js for animated 3D models.
- Configured Sentry for performance monitoring and debugging, improving site performance by 20%.

Movie Discovery Platform [🔗](#)

- Built a sleek movie browsing platform using **React**, **Redux**, **React Router**, and **Infinite Scroll** for smooth, dynamic exploration of trending movies and TV shows.
- Integrated dynamic APIs to deliver real-time updates on ratings, release dates, and cast information without manual reloads.
- Designed a clean, responsive UI focused on seamless user experience, perfect for film buffs looking for fast and stylish updates.
- Implemented infinite scrolling for effortless content discovery, keeping users engaged without disruptive page loads.

EDUCATION

B.Tech in Information Technology

Gautam Buddh University, Greater Noida (August 2019 – July 2023) | CGPA: 8.6/10
